BEER

Belgium is synonymous with beer and has been producing some of the world's finest styles for centuries. Here at Lowlander we pride ourselves on serving a diverse and constantly changing specialist selection to tease and challenge your taste buds, ensuring that every visit means the discovery of something new.

We offer an immense choice of over 100 beers, including 15 draught, five 'guest' and a Lowlander 'Beer of the Month'. Styles range from supreme Belgian brews such as Leffe, Chimay and Duvel to lesser known artisan varieties that will appeal to the open-minded amateur as well as the devoted beer drinker: an array of fruit and flavoured beers, such as our zesty cherry Kriek Boon, our sweet Mongozo Coconut or our creamy, chocolatey Westmalle Dubbel are prime examples, proving also that Belgian beer has something to offer the ladies as well as the lads!
